## Recipe for a Great School Year

### Ingredients:

- 4 cups of hard work
- 1 cup creativity
- 2 cups fun and friendship
- 1 cup communication
- 1 cup enthusiasm
- 1 cup cooperation

### Directions:

Combine all ingredients. Enjoy!

The only that I thing I can add is: stir in large amounts of reading material from the library.

We can help you with the hard work by providing resources for research projects—the fun and all the rest we can help with—also, providing a wide selection of leisure reading (print and digital).

A successful school year is the result of the whole BCBS family's participation. The family that reads together succeeds together! Stir it up!

Please enjoy all the services your library provides!

## Back to School with Books
