The Bullock County Board of Education prohibits all forms of bullying and harassment against students. The Board's anti-bullying and harassment policy can be found in the Code of Student Behavior. The Alabama Code defines harassment as follows:

Ala. Code § 16-28B-3. HARASSMENT. A continuous pattern of intentional behavior that takes place on school property, on a school bus, or at a school-sponsored function including, but not limited to, written, electronic, verbal, or physical acts that are reasonably perceived as being motivated by any characteristic of a student, or by the association of a student with an individual who has a particular characteristic, if the characteristic falls into one of the categories of personal characteristics contained in the model policy adopted by the department or by a local board. To constitute harassment, a pattern of behavior may do any of the following:

   a. *Place a student in reasonable fear of harm to his or her person or damage to his or her property.*
   b. *Have the effect of substantially interfering with the educational performance, opportunities, or benefits of a student.*
   c. *Have the effect of substantially disrupting or interfering with the orderly operation of the school.*
   d. *Have the effect of creating a hostile environment in the school, on school property, on a school bus, or at a school- sponsored function.*
   e. *Have the effect of being sufficiently severe, persistent, or pervasive enough to create an intimidating, threatening, or abusive educational environment for a student.*
